“ Jane, Tricia and family

Our deepest condolences on the passing of your mom, Mary Elizabeth. Our family, my mom, siblings and I were so sorry to learn of her death. We have many fond memories of the times we spent together at Thanksgiving at Aunt Catherine's house on Depew Street in Peekskill. I remember watching football games with the 'Archer cousins' on the 'color TV - a novelty in those days (even if the color settings made the turf look like a chartreuse carpet!).

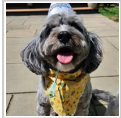

I included a picture of an 'Archer family' get together at our house during a summer in the mid 70's (I think). The joy of family is a marvelous balm to sooth us during this time of loss.

Again, are sincere sympathy to you all on her passing. We pray that the memories of Mary Elizabeth bring a measure of solace to your hearts and a smile to your lips as you recall the many wonderful moments of her life.

God bless -

“ Dear Jane and Tricia, I am so sorry to hear of your mother's passing. My father remembered her from their days at Arnold College. My mother recalled she was the "girl next door" who married her brother John. It feels like the end of an era. May you find peace and happiness in your wonderful memories.

“ Jane and Tricia I am so sorry for your loss,

Growing up in the same neighborhood with Mary was like having a second mother and second family. Mary was my godmother and was always there for us. She is going to be greatly missed by many many people.

“ As a part of my life for one hour a week for 42 years, I think I can say Mary was one of my most beloved clients, friend, & other mom. I'll bet I know more about her family than they know about each other. As incorrigible as only she could be, I knew her to be kind, thoughtful, and always impeccably dressed. I could almost get her to see the grey areas on some of life's issues. Even though I left CT 5 years ago, I always made a point of calling her a couple of times a year & visited her last summer. I'm so glad I did. She will be missed profoundly, but it will never take away the fondest memories of our time spent together on this earth!

“ Our condolences to the entire family but especially to Jane. I knew Mary from family holiday get togethers through the years, she was always warm and caring but with a touch of firm and steadfast. I am very sorry that she has passed. She will be missed but remembered by those she loved and was friends with.

“ I met Mary a few months after my son met her daughter in February 2002. It was a wonderful dinner with Mary, my husband Bob, and her daughter Jane, and my son Gregg. Jane and Gregg married a year later. Mary and I were fast friends and shared many common ideas. We have been good friends since Jane and Gregg married in the summer of 2003. Whenever we were together we enjoy each other's company and appreciated the fact that our birthdays, same year (1929) were four days apart. I enjoyed our times together and our regular phone conversations, I will greatly miss her. God Bless you Mary, you are a good soul.

“ Feisty yet kind, strong yet caring, independent yet supportive. Aunt Mary had a life-force about her that was undeniable. I am very sad to see her go.

“ Oh Tricia, I just saw your precious Mom passed. I am so truly sorry for your loss. I remember so well our conversations at Talbots about our New England strong, independent Mom's.. She was a beautiful lady and you will forever miss her but have wonderful memories as well. Our genes are so like our Mom's in so many ways. I raise a glass of Chardonnay in her honor today and say 'well done, Mom, well done'. Take care of yourself, Tricia and please know my heartfelt prayers are with you and your family through this difficult time. Love, Lyn Hyll

“*Mary was, and always will be, a second mom. Feisty, honest, caring, and straightforward in her approach to life. She made me think, made me laugh, and was always clear in her thoughts and convictions. I will miss her humor and her banter about the topics of the day. She cares about her daughters, her family, politics, the NY Giants and the world’s well being, not necessarily in that order. She will be missed and I am thankful I was able to know her for a fulfilling 20 years. I know she’s catching up with John and Patty in heaven. She had a life well lived.*”
