“ To the Gaffney Family:

We were saddened this morning to learn of your loss. While I only met your mother on a few occasions, knowing Pat and meeting the rest of his siblings was all the evidence we needed of what a wonderful mother you had. Her family is a living memorial of the good that your mother's life brought to the world. All of you will be in our thoughts and prayers.

“ We met Anna when she moved up the street from us in Spring Glen. We both had young children, she had more than we did. Eileen and Paul, our children loved to go to Gaffney's, there was lots of action and love in that house. We will always remember how kind she was to us when our daughter Anne was sick and also in the days and weeks after her death. She and John raised a wonderful family, may she rest in peace.

“ To the entire Gaffney Clan,

Please accept my sincere condolences, Your Mom/Grandmother was a special lady. When we were all a lot younger and involved in Irish football and the Gaelic club Mrs. Gaffney would always be there to make sure things were in order. I fondly remember those days and will cherish those memories forever. I also remember how kind she was to my great aunt on Beverly Road. I hope that you find comfort knowing that she is back with your father looking down on all of you.

Sincerely, Tom Carew
