“ *A letter to Mom,
Due to these unusual times there are many things I did not get to say to you. So I will say them now. During the past week I've reflected on my memories of you from my childhood to my adult life. Childhood was a happy time, and you provided for all my needs even in difficult times. I thank you and Dad for my wonderful education. I thank you for a beautiful wedding and for showing me how to be a loving wife and mother.
You loved being a grandmother! You and Dad were over the moon when Gary was born. Then came my son Stephen and niece Andrea-born on the same day! A few years later Joseph arrived. Thank you for the loving care you gave to Dad during his struggles. As a great grandmother, Gigi, you welcomed Jackson, Sloane, Jade, Ava, Shane, Quinn and Vaughn.
I'm sorry we couldn't enjoy in person visits the last few months. You went through a lot, and now you are at rest. We all love you and will miss you!
Your loving daughter, Georgianna*
