“ *Nanny since I first met you when I moved to CT. I felt like part of the family. You treated me like one of your own. A beautiful lady you are. I enjoyed the days we spent when Rocky was a baby. I know you enjoyed those days as well. Now you'll be reunited with dad and great nanny. Watch over Kathy with your bright shining star and just know you'll always have a place in my heart.*

She deserved the best and that's what you gave her. She would be proud. May she finally be at peace with wonderful memories of all of you. She will be missed and always in your hearts. I am thinking of you and hoping you are doing OK!! that's what she would have wanted. Love to all of you.....Natalie David Jason and Ghianna

“ With deepest sympathy for your loss, blessings to all of your family.. Mary was such a bright and welcoming presence every time I went to visit my mom (Vivian Murray) at Mariner's Village, and brought such joy to all around her. She always looked for the best in people, and always had a welcoming smile, and always enjoyed whatever adventures came her way to see and do new things with the group. Now she and my mom are free to share their friendship without limit. I will miss her and the stories and the laughs we all shared together. It was a special time and she was a most special lady who will always have a piece of my heart too. I wish you comfort and strength and send prayers that the sweet memories will soon overcome your feelings of pain. -- Judy, Jim, Jessica & Jennifer Barbosa & my brother John Murray
