“ This is very sad news. I worked with Mary Lou at the Quinnipiac University Poll. Such a lovely lady. We had many conversations over the years. So many friendly exchanges in the break room for break or lunch or dinner depending on the day or shift. My condolences to her family and loved ones. May loving and lovely memories sustain you.

“ I'm so saddened to hear of Mary Lou's passing. I worked with her at Quinnipiac University Poll for 5 years and always enjoyed her. I had no idea she was ill. She was always lively and vibrant. My heart goes out to Mary Lou's family and those who had the pleasure of knowing her for a lifetime.

“ I have the pleasure of working with Mary Lou at Quinnipiac polling. I had missed her but we had no way of reaching her. I was saddened to hear of her struggle with cancer. We would have so much fun laughing and joking with each other. Mary Lou would sometimes drop the Lou and I would tease her and say oh no I'm Mary, you are Mary Lou. Such fond memories. My condolences to her family, she was a lovely person.
