“ Dear George and family.

My thoughts and prayers are with all you on the passing of Mary. I have many pleasant memories of her while I was at St Rita. She was such a happy person and always with a bright smile and ready to give a hug. Many times she helped Bo and the other women decorate the church at Christmas. Often she would wait for the bus in front of the Church on her way to work in New Haven. All in the neighborhood knew her and she knew them and there would always be some conversation

Thanks to the family for taking such good care of her over the years. May she Rest In Peace.

I am in Rhode Island for a baptism today otherwise I would be present for her funeral

God bless all of you

Dear Meinsen Family,

I am saddened to learn of Mary's recent passing and send my deepest condolences. We shared many happy times back in the days of Camp Robin. Your family was always so welcoming and generous, and clearly that is why Mary was such a wonderful person. She will be dearly missed. May you have peace, strength, and happy memories. -- Beth McArthur

Dear Meinsen Family,

So sorry to hear of Mary's passing. I have such fond memories of her from the High Lane Club. I especially always enjoyed watching her and my father kid around. He would run at the Hamden track and Mary would yell out "hey Pete and run over and give him a big hug! She was a truly special part of the High Lane Club family. --- Mary Shields
