“ Matt will be in our hearts forever! He will always remain a great friend and colleague to his Ryder family. To me, Matt always stood out from the crowd. His sense of humor and laughter, his attention to detail and his willingness to help and find solutions to situations we were working to resolve. I/we were very lucky to have been able to bring Matt on the WNE Team as a business development account manager. You will be missed, Matt. Gone too soon but never forgotten.
