“ *To My Mom and my Best Friend, You are truly my hardest goodbye.*

Now that you are not here to share my life each day, I feel a sadness in my heart that will not go away. When the sun goes down and the evening comes, is when I miss you most of all. For when we were together, we were two peas in a pod. We were as close as we could be and there isn't anyone on earth who could mean the same to me.

Until we meet again, I Love you Always and Forever! You are the Wind beneath my Wings.

*You Loving Daughter,
Tara XOXO*
