“ My sister Suzanne dated Mike for 7 years when I was just a little boy. He was my role model and I believe I got my love of sports from him. He was fun and my little brother and I loved him and were devastated when my sister and Mike broke up. I'm so sorry to hear of his passing. I had a fantasy of finding him again one day. I remember Eileen Reynolds being such a beautiful person to me when I was just 8 years old. Prayers to the family. He almost became my brother in-law and I wish he did. Prayers to all of you.

“ Lynn & Family, Please accept my deepest sympathy on Mike's passing. Mike gave me my first job opportunity out of college and I've always been thankful for his support so early in my career. Although my time in CT was short, I have great memories of working with Mike and the great team he assembled at BofA/Chrysler. I know he will be deeply missed by many.
