“ Dear Glynn Family,

Michael was a sterling man. In the short time I got to know and work with him - as a member of the Looking Forward Advisory Council, he demonstrated his generosity of spirit in every meeting and at every event. His kindness always shone through. We will miss him and will continue our work in his memory and in the memory of so many others who have lost their lives to cancer. It was a privilege to get to know him. Please know that our hearts and prayers are with all of you at this very difficult time.

Most sincerely,

“ What a tremendous loss. My heart goes out to Mary, Corey, and Beth. My thoughts and prayers are with all the Glynn's and Schrecks during this difficult time. Mike was a wonderful human being and was a friend to all he met. I moved to AZ almost 10 years, Mike and Mary and the kids were the best next door neighbors you could ask for. I will always have fond memories from the Spring Glen days. What an incredible family. I am truly heartbroken. RIP old friend and God Bless Mary and the kids.
