“ I'm sorry to hear about Mickey's passing. We worked on lots of large and small projects together. He was a true no-nonsense old-timer that got things done, had a wealth of electrical knowledge and was fun to work with.

“ I enjoy being your care giver for the last few days of your life. I loved going to see you everyday. You made my day so much better when I visited with you. I enjoyed every moment with you. You were a sweet loving man who loved his wife so dearly. That Friday morning we made some jokes and the next day God called you home. I will miss you as a new friend. Love always Jeneva (AVA)

“ I cannot believe that Michael is gone. I started working at Genovese & Massaro many years ago and finally retired at 80 years. Michael and I saw our families grow, marry and we became grandparents. We shared laughter and tears, good days and bad days. He so kind and considerate when my Frank passed. My sympathy and prayers go out to his family.

“ Mickey and I graduated high school together and years later I had the opportunity to work for Genovese & Massaro, a Class outfit, on numerous jobs. Mickey treated everyone with respect and fairness, an ideal work environment. I appreciated his active bidding on work to keep Local 90 members employed. Mickey's dedication and hands-on approach was old school, the Best of an Era!
My heartfelt sympathy for your loss,

“ John and I would like to express our sincere condolences. There is so much grief and heartache felt by everyone who cared for Michael. So many people have been reaching out to express their sorrow.
It’s especially painful to watch my daughters grieve for their Dad. The only small shred of comfort is that he is at peace and no longer suffering.
Again, please know our thoughts and prayers are with you.
May Michael(Dad) Rest In Peace for all Eternity.

“ Dear Family. I am so sorry at your loss. Michael was a good friend and I always enjoyed working with him on our many projects together at Yale University. He was very supportive of our son Kent and I thank him for that. He will be missed.

Mickey was a down to earth guy soon reunited with earth he loved with all his heart and intense sporting life. Aside from his leadership roles he was an avid fisherman, boat enthusiast, friend to many on a first contact and foe to those who earned that status. He was always excited about something new, different, historic and practical. Michael. Named for an archangel, he too was a fierce warrior if he sensed evil against any one man or woman. His feminine side was as strong as his Italian American DNA. Loved cooking or feeding friends. He knew where in New Haven to eat, meet, places to avoid. He passionately loved Ann and his daughters, praying their lives would be
Passionate as well.
In the end Michael and Ann cooked up a good life they shared with service to others. He fought a brave fight with health issues and pray Ann will continue as he would wish. What a gift
From the Lord to have known him.

“ *Mickey spent many wednesday afternoons at Hamden Fish & Game shooting trap with the "retired wednesday crew". After we were thru shooting, we would have a few laughs, some pickings, and a "pop" or two(Mickey loved his wine spritzers) in the club house before going out somewhere local for some dinner.(He always had to pick the place!) I will always remember his generosity and those good times! You will be sorely missed Mickey!*
