“ I want to extend my condolences to your family with the passing of Mike. It's two fold. For me, I got to know Mike when I was Madge's nurse at YNHH . I loved them so much. I saw the devotion they had for each other. When Madge was with me, Mike would be there every day.... mostly teasing the both of us! They were an awesome pair, especially when they dealt with your mom's illnesses together. I have many memories of them. Secondly, my mother would like to extend her condolences too. Rita Hastings. She and Mike worked together at Eder Brothers. There are too many memories they share of their time there....some should remain quiet! Please know that you all are in our thoughts and prayers. Your parents will always be in my heart. Gail Prokup RN
