“ Mike was a trooper. With all the problems he had over the past years, he always had a smile when any of us Elliott's came by to say hello. He was a kind person and will be greatly missed. My caring thoughts are with you Helen. Know you are loved many people.

“ I was just thinking of Mr. Shea a couple of weeks ago... When the SCSU Cheerleaders brought home their first National Championship title in 2009, Mike had a congratulatory cake waiting for us at our next practice at Pelz gym. I will never forget that. He always was thee nicest man. Having rougher days and walking into Pelz to see his smile and a "hey coach!" was enough to turn around anyone's hard day. His positive and warm personality was one I will always remember dearly....Sincere and heartfelt condolences to his family,

*Trish Regan
