“ *First off, my sympathy and condolences to all. Mrs. Hanlon will be sorely missed. I can't say that I knew her very well, because I only knew her from 2008-2009; she was my fifth grade teacher. But she was more than just a teacher, she was a friend. When I was in the same room as her, I always felt at home. There are too many good things to say about her and too many good memories to write in this short message, but where ever you are now Mrs. Hanlon, know this: you WILL be remembered. You impacted many, many lives for the better, and I hope you have finally found your inner dragonfly.*

“ Mike, I am deeply saddened by the news of Nancy's passing. She was such a kind and caring person. She helped me on many occasions when we taught together at both Jennings and Burr. I still remember her sitting in her rocking chair at Jennings and nursing Connor when you would bring him to school. I remember thinking what an amazing woman. My thoughts and prayers are with you.
