“ I graduated from Notre Dame High School in 1951 and recall Nancy with the greatest of affection. She was very kind and I will always remember her that way. My only regret is that I am unable to pay my last respects in person.

“ In the mid fifties when teachers, counsellors, administration and all others were C.S.C. brothers, Nancy was the only woman at Notre Dame. She was "mom" to all of us and generations of NDers after me. A quarter century of grads will miss her.

“ A member of the Notre Dame class of 1967 I have fond memories of Nancy. She was ever present and always ready to help out when a need arose. Those were the days when Nancy "was" the entire office staff dutifully supporting the administrators to the best of her ability..in later years I encountered her while my children attended St. Rita School and for a brief few years renewed our acquaintance. It seemed like she never changed and never got any older. Nancy was a part of all that was good about ND and will be missed.
