“ We will always remember Nancy as a most important part of the Notre Dame Family. I remember my first day at ND in 1950 like it was yesterday - Nancy was the first person I met as I entered the school. She was always there to help us.

“ Someone said that Nancy was the only woman on campus; that was true during my four years; 1955 - 1959. She was a beacon in a sea of testosterone; She was the 'go to person' when you needed a simple explanation.

I am personally indebted to her for expunging a couple of detentions delivered to me by Brother Germanus and Brother (fats) John Neidl. Nancy also arranged access to the 'Ghost', (Brother Pacificus), for me when I needed a rational person to acknowledge that transcripts could be provided to colleges outside the circle of Holy Cross, Notre Dame, Fordham et. al.

All in all, Nancy was a person who would help any of us, any time.

Rest in peace Nancy,

“ I would like to offer my sympathy and condolences to Ed Lipovetz and family for their loss. I was a student at NDHS from 1952-1956 and have wonderful memories of Nancy. While at ND my parents, also, became very friendly with Nancy and loved her as well. As stated in her Obituary we were "all her boys." I can only say that I am truly honored and priveleged to have known her. She will be in my thoughts and prayers, always.

Sincerely, Tom Doyle NDHS '56

“ *Nancy was one of those special "pillars" of the foundation of the Notre Dame High School of our era (1951-55). Her passing marks the end of another chapter of that wonderful time in our lives. She will be missed, but will be fondly remembered in the thoughts and prayers of all of the ND men from the Class of 1955. -- Jack Dolan, '55*

“ *I was a member of the second graduating class (1951) of NDHS. While I was student, Nancy and I were good buddies, and many years later we re-established our friendship when I discovered that my stepmother, Alice Firth, and Nancy had become friends. At that point I contacted Nancy and by mail we exchanged memories about Notre Dame, and over many years kept each other up-to-date about what we were doing with our lives.
I was especially pleased that my wife Joan and I were able to attend her induction into the Knights of Honor. There will always be a special place in my memory where I will fondly recall all of Nancy's many kindnesses to me. May she rest in peace and may perpetual light shine upon her.*

“ I fondly remember Nancy and her smile for the 4 years I attended Notre Dame (1956-1960). She was a wonderful person with warmth and elegant charm. I'm sure she will be missed by the many who she touched.

“ Nancy always remained a gracious lady in the Notre Dame High School office administration even inspite of the difficulties that some of the Holy Cross Brothers presented. In all situations Nancy was fair and kind to the students. She alway was a shining example of what a Catholic layman should be in direct contrast to what a Catholic "religious" should not be.

“ Nancy was responsible for my first job assignment. I was a runner for Western Union to pick up auto registration renewals when all registrations were renewed on the same day every year, a mob scene. Apparently they had called ND for someone to fill the temp job and it was announced over the PA system during homeroom. I scurried to the office and Nancy said "Denis, you got the job". Thanks Nancy. “ *"Nancy of Notre Dame"...For over two decades, you were the face and spirit of Notre Dame High School to all who entered through its doors. To students, faculty, parents or returning alumni you were always there, ready with a kind word, a helping hand or wise counsel...all with that beautiful smile. You never failed to remember each and every face and name. A part of you truly lives on in all whose lives you touched. We love you and miss you.*

“ I'm one of the many thousands of ND students who were at one time or another under Nancy's "wing"! She was the face of Notre Dame High School for many many years, and clearly loved her work.

We have all come a long way since those very formative years, and Nancy was an integral part of our growing up to become the people we've become.

Thanks Nancy, you have been and will be missed by all. Rest in peace.
