

Nancy G Worms

July 11, 1948 - October 23, 2024

Nancy Griffiths Worms (76) of Hamden, widow of Donald “Dewey” Worms, passed away on Wednesday October 23rd, 2024, at her home after a long battle with cancer. Her daughters are grateful to have been by her side. Born July 11, 1948, in New Haven, to the late Kenneth and Genivieve Griffiths, and predeceased by her sister Barbara Kavanaugh, Nancy attended The Gateway School (1966) followed by Hood College (1970). Nancy began her teaching career shortly after graduation at Fairland Elementary School in Silver Spring, Maryland and continued it later at The Foote School in New Haven, Connecticut. As a first and second grade teacher, Nancy was known for her warm and nurturing style, focused on the whole child. But it was Nancy’s work as a daughter, a sister, a mother and a grandmother that was her true lifelong commitment – tending to her family relationships with the same warmth, nurturing and unconditional positive regard. Nancy never missed a chance to help, to talk, to bake, to celebrate, to spend time together – a holiday, a birthday, a Sunday evening, the chance to send a special package, to spend an afternoon or a vacation together– she made sure to be there for all of it . Nancy will be deeply missed by her two daughters, Katie Donroe and her husband Adam Donroe of Cheshire, Wendy Worms and her husband Brett Wilson of Petaluma, and her four grandchildren Paisley and Oliver Donroe and Nathaniel and Benjamin Wilson. Her kindness, warmth and endless generosity will live on in them
