“ *Charlotte and Kathy, Nora was a pleasure to take care of and get to know! She gave me so much advice, especially on the weekends I worked while attending nursing school. She was always kind, funny and wise.. she also encouraged me to continue on and pursue my RN. I could easily tell that she was an awesome nurse back in her day because the instinct never left her! Please take comfort in a lifetime of amazing memories. Our thoughts are with you during this difficult time.*
