“ We wish to express our heartfelt sympathies on the loss of Pam. She was a wonderful, cheerful, loving person. She always had a kind word to say and whenever you wanted to talk she was there to listen. As long as we have known her, she always had a smile on her face and she made you feel good even if you were having a bad day. She was one of the most thoughtful people we know and she will be missed very much. We will miss her beautiful smiling face. Again, please accept our condolences on your loss. It is a great loss to us all. Vinny and Raeanna

“ My deepest sympathies to the Martone family. I was shocked to read of Pam's passing. I have been going to the medical lab for 6 years now on a regular basis and had gotten to know Pam quite well. I missed her the last few months and had looked forward to seeing her return to work. She loved her family very much, and had a special spot in her heart for her grandchildren.

“ Carmen, Dana, Adam, J and all of Pam's family, My thoughts and prayers are with you at that very trying time. Pam and I had not seen much of each other lately but did send notes to each other often. She was truly a unique individual who understood that the only thing we give to the world are the next generations. She was so very proud of how wonderful that next generation had become and even more proud that her grandchildren were flourishing. She will truly be missed.

“ Dear Carmen and family,  
I worked with Pam for many years at Butler and shared many happy times with her. She had a fantastic rapport with her students with her warm and humorous touch.  
Dinner times were especially special. I remember the laughter. She is very special.  
I will always keep her in my heart.  
With love,
