“ *My sister was my forever friend. Always glad to see me or talk to me. As little girls we shared a room for many years and at bedtime we would talk until we got in trouble or fell asleep. She was my giggle friend once we started giggling we could not stop. Pat you are in my memories and In my heart.*

“ Our sincere condolences to the whole family. Patty was sunny and exuberant She is irreplaceable and we will miss her very much. We have many wonderful happy memories of time spent with her and Dick Some of the occasions involving wearing funny hats and laughing a lot. There were parades, outings, or just quiet meals or sharing movies or simply talking. With great sympathy, Leonardo and Jan Franco
