“ Dear Laydon Family, My thoughts and prayers are with you during this most difficult time. My sweet cousin will forever be remembered for her unconditional love and acts of giving. We shared many spiritual moments together, as she enlightened me in discovering the works of "Angels" Ironically, my assigned angel given to me during the workshop with Patty is called Patrica. 5/16/08. Patty was so filled with life, hope, and peace as she shared her story to the class. At this time I would like to recite a reading 4 days prior to pat's passing. IN THE ARMS OF GOD -Everyone who lives and believes will never die. (john 11:26) We don't like to say good by to those whom we love. Whatever it be at a school or a cemetary, separation is tough. It is right for us to wheep, but there is no need for us to despair. They had pain here. They have no pain there. They struggled here. They have no struggles there. You and I may wonder why God took them home. But they don't. They understand. They are, at this very moment, at peace in the presence of God. When it is cold on earth, we can take comfort in knowing that our loved ones are in the warm arms of God. And when Christ comes, we will hold them too. Thank you for the beautiful day yesterday in memory of Pat's life. She would have been so proud of the filled funeral and church gathering among family and friends. May God bless you .
