“ I am very saddened to hear of the passing of Pat Rand. I grew up with the family and spent many happy times at their home on West Rock Ave.

While the world in the late 1960's was a changing and difficult, as is today, we enjoyed a world away from that. Simple times with friends that have lasting life long memories.

My heart goes out to Randy, Chris, John, and Peggy along with their families. Even when expected these times are very hard on the soul.

Thank you for allowing me to share in that time so many years ago.

“ Wally and I will always be grateful to Pat, John, and Peggy for the loving care they provided for our son Nik in his first year of life. We have so many pictures of Nik in a wagon, sitting on John's lap, or just playing in a big leaf pile in Pat's back yard. The entire Rand family cared for Nik and was his 2nd family while we worked.

We counted our blessings that the Rands were our next door neighbors on West Rock Avenue and we enjoyed the many opportunities to spend time with them admiring the beautiful shasta daisies that were the centerpiece of Pat's flower gardens.
