“ My love and prayers are with all of you at this incredibly sad time. Patricia faced her days with courage and determination, and I always admired her strength and Grace. My patients often touch me in ways that I believe I am blessed to experience, and I know that when she left this earth, she took a little piece of my heart with her. How blessed am I as a Nurse Practitioner to know that she left a little piece of hers with me! I will never forget her.
