“ Pat and I worked together many years at SNET in the Customer Care Center. She was a beautiful lady with a great sense of humor. She would always make me laugh. You are at peace in heaven my dear friend. I have so many fond memories of the things we did in work and out of work. You will be missed.
My deepest condolences to the family.

“ *Patty was always so friendly and always made my husband and I laugh. She was the very first person I met when I looked at the condo Vin and I purchased back in the year 2000. She made me want to become a pool person, which I really did not enjoy until her presence there became a social event for SeaSacpe. She was great with kids and my 8 year old grandson Brandon will miss playing with her there. She always gave him encouragement as a swimmer. He always complimented her hair. I will miss many conversations with her around our association. Patty, you will be missed. Rest in peace and happy with those you missed. Your friend, Vickie, and Vinny too.*

“ *David and Family. I was part of the pool group at Seascapes where your mother was the Queen. All looked for her to show up so the fun could begin. She was a wonderful, kind and compassionate friend.*

The "pool" will never be the same, but we will have fond memories always and forever.
