

Patricia B. Sisk

November 3, 1943 - December 18, 2024

Patricia Burns Sisk, 81, beloved wife of the late Robert E. Sisk passed away peacefully on Dec. 18, 2024. Survived by her loving children, Jennifer E. Sisk and partner Annette Rivera of W. Hartford and David B. Sisk and wife Michelle of Salisbury, NH and nine cherished grandchildren, David, Dustin, Dalton, Zackary, Maryn, Madison, Aaron, Gabriel and Weston Sisk. Besides her husband she was predeceased by a son Robert E. Sisk. She was born Nov.3, 1943 in New Haven, only child of David and Faye Russo Burns, and was a graduate of East Haven High School. Patricia touched the hearts of all that knew her because of her humble spirit and unconditional love. She was loyal, generous, down to earth, and genuine. Patricia, also known as Nanie, adored her 9 grandchildren and had a natural instinct to put others first. She was fun to be around, an avid reader, and always savvy with current world news and social matters. Her kind heart and fashionable presence was admirable and could light up a room. She was a phenomenal cook and loved hosting family gatherings which we will miss dearly. Patricia had many talents, including being a “closeted artist”, a bird watcher and a book of knowledge with a very keen memory and a sassy, contagious sense of humor. We find comfort in knowing that mom’s legacy lives on through the lessons she taught us, the love she shared, and the memories that we will all cherish forever.

“ I live at Anthology Farmington and just recently got to know Patti. It was always nice to have Patti join us at our dinner table. Sadly, her stay here at Anthology was brief - nevertheless, she will be missed. My condolences to the family. My thoughts and prayers are with you. R.I.P.

“ From the moment I met Patty, I knew she was going to be my dear friend. She was so thoughtful and so perceptive and embodied kindness, and love. She was perceptive of things that were going on and she wanted to know more about the past because she knew I had been there before she came. I am going to miss her so much. My family cared about her and enjoyed the time that we got to spend together and had dinner with Patty and all of you. Although I wish we had more time together.

Love,

Florence, David, Debbie and Family
