“ Dear Sisk family,

Connor just informed us that (the youngest) Patrick lost his grandfather and is traveling east for a service. The Kimple family is so sorry for the loss of Patrick Jr's grandfather and Patrick's father. We never met him personally, but we can tell that wonderful family traits have been handed down in each generation. Our deepest sympathies,

“ My condolences to the Sisk family for the loss of Patrick. Patrick was very supportive of me personally in our profession as funeral directors. Patrick and Robert devoted themselves to helping their families through personal tragedies very often at the expense of personal time with their own families. Patrick will be missed by his friends in the funeral community. Mary Ann and I will pray for Patrick and Maureen and their tremendous family. On a lighter note I will miss playing kangaroo golf with Patrick at Madison CC. Patrick sometimes was so eager to complete the round that we sometimes skipped ahead .

“ It is with deep sadness I found that you passed away, first I pray you are now at peace and that your family finds the peace you are now at and the strength to go through the coming days . I had the honor to meet Pat many years ago , he had called upon me to be the first answering service to the funeral home in nearly 100 years as he told me. It was an horror to work with Pat & Robert . Through the years . In that time I learned much s about his passion to serve the community . Heaven had gained a very special angel , sending my condolences to you all .
