“ I offer my sincerest and deepest condolences to the Panaroni family at this time of great loss. Paul, and all of you, were an important part of my childhood back on old Walter Lane. The memories, which I am most grateful for, will remain with me forever. Paul had a way of bringing "the guys" together and had, at a young age, demonstrated strong leadership qualities in that no one was ever left out of the neighborhood fun. Several of the tributes here certainly substantiate this as well. May Almighty God bless and keep Paul and all of the Panaroni family.

“ To the Panaroni Family,

As I write this I still can't process what happened and that Paul is gone. It was really important for me to make it back home to be with all of you, to share, remember, and honor Paul's life with your family. I feel that I've lost part of my childhood with Paul's passing. I will forever miss Paul contacting me and giving me updates on family and friends. As I said, even though I haven't lived in Hamden for over 30 years, Paul always made me feel like I never left home and included me in his life, as if I was still there. What a dear friend Paul was to me, and he will forever be in my heart. Although it will never make sense, I hope as time passes and you struggle in the coming weeks and months, you are able to move forward and somehow be at peace with Paul's untimely and tragic passing. On your future Harley rides and travels, I know Paul "The Road Captain" will be looking down on all of you, making sure you arrive at your destination safely, and have fun doing it. I will keep in touch with you guys as Paul did with me.

Your Dearest Friend,

Love Shep

“ To Veronica and the boys, I don't even have words to express how sorry I am. I was fortunate to have met Paul and Veronica when our sons played football together. I'll always remember Paul at the Hamden High football games, not only cheering on his sons, but for everybody elses sons on that field. My prayers are with you all.
