“ Paula has been a dear friend of mine since she moved to Connecticut. Her smile and kind spirit would light up a room. Along with Amy, the three of us would meet every few months for a girls-night out dinner. How we would laugh as we shared updates on our families and lives! Paula could always be depended on for a hilarious story about work or family. She was an amazing story teller (especially after she had her favorite margarita!) She would love nothing more than to share the accomplishments of her three beautiful children. She loved to brag! She will be missed but never forgotten. All my love, prayers and thoughts to support her family and those who loved her beautiful and joyful spirit. -Ann Stiltner

“ My daughter had three brothers. Paula was our neighbor until highschool graduation and became the little sister to Ronda. There are nothing but wonderful memories and our hearts break for Christopher and children. Blessings to all.

“ Paula brought me so much joy in the years that I knew her. Smart as a whip and as funny as any comedian I ever heard, she made every conversation interesting and always made me smile and laugh. Paula was a beloved companion to me and our mutual friend Ann these past twelve years as we've journeyed through the joys and challenges of work, faith, and family. The journey will not be the same without you, Paula. Love and miss you, dear friend. Amy Ekeh

“ I know I lost contact with Paula as with many others after graduating from KHS, but I still remember Paula and her having the most sweetest soul and her laugh being so contagious. I remember when I was on crutches due to a horse riding accident and Paula was always there to help me through the halls and lend a helping hand. We would sit in class and just start laughing out loud randomly. I just want to say that my heart truly goes out to her family and I'm sending my deepest condolences to all who loved her and was loved by her 🙏
RIP Paula 🕊️

“ Paula was always the first person to raise her hand or offer to help her colleagues at Travelers. She cared passionately about doing the right thing and always advocated for the high road...and she was a terrific blend of technical and people smarts. We have missed her dearly this past 9 months and her passing has left us heartbroken for her family.

It was a honor to leading Paula twice in her career and even greater honor to be her friend. Pushing all the love and comfort i can to Chris, Nick, Sam and Declan during this incredibly sad time. Holding you all close in my heart.

“ Paula and I went to school together from Elementary (Thonotosassa) all the way through King High School. She was such a sweet heart. I ran into her a few years ago when she was in Tampa. She hadn't changed, she was as sweet as ever and we talked about our children and she was so proud of hers. Sending prayers to her family and all that loved her.
