“ Sheila, I am so heartbroken for you and Charlotte and the rest of your family. You don't know me, but I follow some of the same online support groups you do -- I say this so you know this is not random. I lost my first child, but she was a singleton, so I'm afraid I don't know how to help poor Charlotte. I hope that some day, you'll be able to find some comfort in the love and laughter that you shared with your precious boy.
