

Peter Paul Stadalnik

August 1, 1957 - December 1, 2024

Peter Paul Stadalnik, age 67, peacefully passed away on December 1, 2024, surrounded by his loving family. He was born on August 1, 1957, in New Haven, CT, to Frank and Florence Stadalnik. He is survived by his three children: Kristen Karyle (29), Lauren Marie (26), and Colin Thomas (26). Peter was preceded in death by his parents and his beloved wife, Colleen. Some of Peter's fondest childhood memories were of summers spent by the ocean at Indian Cove in Guilford, CT, where his adored godmother, Jean Stretch, taught him to swim, and his Uncle Pete bought him his first boat. He will forever cherish the moments spent with his younger brother and sister, David and Jean (Miskey). Peter attended Hamden High School and the Connecticut School of Electronics. He worked for 37 years as a Field Service Engineer at Digital Corporation. He will always be remembered as the guy who can "fix anything and everything." Peter also took great pride in his yard work and his home and family were his greatest sources of joy. Above all, Peter was devoted to his wife of 28 years, Colleen, who was his best friend. Together, they created countless memories, from boating trips to Montauk to summer vacations in the Outer Banks with their dear friends Eric, Jill, Joe, and Barb. Peter was most proud of his three children, who will miss him dearly. Visitation will be Saturday 9 - 11 a.m. in Sisk Brothers Funeral Home 3105 Whitney Ave. Hamden.

In lieu of flowers, the family requests donations to Save the Sound, as Peter and Colleen's happiest moments were spent by the ocean.

“ My heart is broken with the news of Peter's passing. The Stadalnik family were dear friends for the eight years I lived behind them in the Fairways subdivision. Pete and I shared lawn tips as we both worked hard to get our grass to grow those first couple years in our new houses. I appreciated their friendship more than they could ever know.

Kristi, Laurie, and Colin, I wish I could be there to play that 'auntie Sandy' role again for you. We had some good times in my lawn all those early years. My thoughts and prayers are with you always.

Love, Sandy

“ It is with great sadness that I learn of the passing of a great friend, a wonderful co-worker, and a loved husband, father, and brother. I worked with Pete at Digital Equipment/Hewlett Packard for 20 years.

Pete was always there whenever you needed him. Together, Pete, Joe Grandel, and I covered Southern Connecticut. I always looked forward to Fridays as the three of us would meet for Happy Hour at either the Rusty Scupper or Jacks by the tracks. It was always a good time. Pete will be dearly missed, but his memories will live on forever. RIP

*Sincerely,
Jim Mitchell*
