“ You dad became my boss in February 1978. He was such a wealth of knowledge. Every day was a learning experience for me. I remember your mom walking over from the phone company at 5:00 for the ride home. A loving and devoted couple. I was in New York visiting my daughter yesterday and my sister just notified me of your dad's passing. I am sorry that I wasn't able to come and personally pay my respects.
