“ Goodbye, Ray. I am tearful for you departing this physical life, our lives. But I am joyous knowing you are in a good place and no longer suffering. You now have eternal rest. You are with your son once again. Thank you, my stepdad for 40 years of memories. Of a life that would have not been otherwise known if you hadn't joined it. A quiet force. A good heart. I will miss you more than words could ever describe. Your smile I will always remember. Thank you for everything. May the road rise up to meet you, may the wind be ever at your back. May the sun shine warm upon your face, and until we meet again, may God hold you in the hollow of his hand. My love and gratefulness to you forever.  
XO Rebecca

“ Heather and Family, I'm sorry for your loss. Ray was my mentor at Moore Business Forms when I first moved to CT in 1981 and always took me under his wing. I hadn't seen Ray since before the start of the pandemic, and always think of him when I drive on I95 through Guilford. He was a friend to everyone he met, and I'm sure he will be greatly missed.

“ I will always remember our four years of UConn baseball from the long bus rides to our then Yankee Conference rival schools to our trip to the College World Series in Omaha Nebraska in our senior year. Most of all I remember all of those wonderful stories you shared with us that were never ending. So glad we kept in close touch over the years.  
 I will sorely miss you. Love to Heather and family.
