“ *Ray was a very good lifelong friend to my grandfather, and they shared a long history of friendship together. A great person to be around and have for a few laughs. Sorry to not be there today, but will always have the memories with me.*

“ Ray was my close friend as a young man at St. Francis grammar school. Our families intertwined then- leaving me with many warm memories of the Hickeys on Dover St. in Fair Haven. During those times, he was the brother I never had.

Later, it was a privilege to become close to his children who were patients of mine. I offer sincere condolences to the Hickey sisters and Lauren and her family on their loss.

May he rest in peace .
