“ I first want to say how very bad i feel for the whole family and god bless all of you.I wanted to come but the two yeas on my mom this past sunday and dealing with my dad i just could not get myself to come.We had a bunch of fun at night time with the pools and pizzas.It is so hard for me to go through this again in just two years but my mom and dad were in their 80s i can not even think how hard it was for all of you with a 23 year old.I love you all and god bless.
