“Ricky, I was so blessed to have known you. We fell in love almost instantly and you proposed only one year later. You made the next four years of my life a true fairytale. Things didn't work out in our favor, and that's ok. You went on to marry a beautiful woman and a beautiful blended family. Thank you for the four years we had together. I will never forget the love and memories we shared. I'm truly saddened. SEAHORSE for the rest of my life. Rest well my friend, I wish there was more I could've done.
