“ *Rich and family:*

So sorry for your loss. I loved your son Ricky. I used to love when in come into the Register office and visit. He had such a great outlook on life. His infectious laugh was awesome! and what a sense humor. His "impish" grin was priceless.

Take care and know that my thoughts and prayers are with you this day.

“ It has been years but I remember the days of Spring Garden Street to when you all moved into my neighborhood. The years have separated us but I will never forget Ricky. Rick was one of the most kindest gentlest people and friend I ever met. We agreed early before senior year to go to prom when neither of us had a date and we kept to that and went as friends. I send my condolences to your family. Rick will be missed and never forgotten.

“ Ricky will always be in my heart. He had a beautiful soul. He was a kind, thoughtful and generous young man who always had time for you. He had a great sense of humour and loved to tease his mom in a very endearing manner.
I will miss our times together when I stayed with the family.
