“ So sad to hear of the passing of richard. I worked with him from 1982 and many years after that at community action agency. Richard was a loving and caring person and he will be greatly missed. He was always thoughtful and when i was expecting my first child he gave me a christmas pin for her. He was a very giving person.

“ Mr. Quinn was a gentle man. We met through a mutual work friend, and until she passed on, for decades every time I saw him (usually at the Salvation Army), he would greet me by name, ask how our friend was, and to tell her Hello. He had the most beautiful, genuine, and welcoming smile of anyone I've ever met. My sincerest condolence. Lucia Wilson, Hamden.

The sweetest guy, always willing to give a helping hand, I remember him back in HHS when we were in the same homeroom back in 1963. He always had a smile on his face. We graduated together and his son became friends with my son. Rich I will miss your smile and enthusiasm for life and happiness. I was so surprised when I heard you died. You were just here.!!! My sincerest condolences to your family and my heartfelt sympathy Diane & John Q.
