“ *30 years as coworkers and friends, you taught me so much. We shared laughter, frustrations and lot and lots of treats. I'll miss you saying "ohh, that's my favorite " to almost everything. You were a trooper and you fought hard. You left a HUGE void at Lacey and you will truly be missed. RIP Bobby.*

“ *He will really be missed, he was the kindest, most thoughtful neighbor anyone could ask for. It saddens me & breaks my heart that I won't see him in his yard as he used to do keeping his yard beautiful, he would always offer a helping hand to me if I looked overwhelmed, me being a novice in yardwork. I wish there were more people in the world like him, the world would be a better place! He was so kind. May he rest in Heavenly peace!*
