“ Hi Bob,
Your Dad was a wonderful father and grandfather. Although I have not seen him in years , the last time I saw him at a get together at Becky's it was so nice to see him. He had a knack for making people feel at ease he was a great conversationalist and always made me feel welcomed.
Take Care and carry on the tradition of family coming first.

“ Peter, Cathy, and all the Reynolds family; My deepest sympathy for the loss of your Dad. He was a great guy, from a great generation. I remember when my Sister Kathy came back from her first appt. (we were all little kids at the time)with your Dad, she gushed about what a nice man he was, and that he was "as handsome as a movie star". Prior to your Dad we all were afraid of our Dentist, but that quickly became a thing of the past .When I worked with Larry V., your Dad was just as nice as he was at his office. Always a gentleman, and a real class act.

“ My most sincere sympathy to you, Cathy, Bobby, Peter, Billy and Mo and your families for this great loss. I have nothing but the fondest of memories of your dad. I can still remember the look in his eyes- whether in his office or at the rink that sweet sparkle was always there. This, even above all of those nutty buddies he treated to me to for years, is my most fond memory. Peace. Susan (Weinbach) Colinet

“ *Pete, Cathy and families ~*

I am so thankful I knew your dad! Dr. Bob lives on in so many of our hearts. I enjoyed his sense of humor and his voice still echoes as he would sing a jingle as he entered the room ready for his next patient.

May your memories of all the good times inspire you through the difficult days ahead. Losing one parent takes your breath away. Losing both of them is surreal.
