“ *Bob and Eleanor joined our tour of Ireland in Sept. 2011 and they enjoyed it a lot as far as we would see. As you know that was when our friends decided to visit us New York City.*

We were heading for a small town in Co. Kerry that afternoon in total shock and as we arrived at our Hotel manager came on the Coach to speak to their American guests.

That evening during dinner the local Parish Priest came to our private dining room to speak to the American visitors and invite us to a service the following day. On our arrival we were invited to take part in the service.

We were asked for people in our group do something. so we supplied whatever they wanted and I'll have you know that Bob Stefanowski carried the American Flag with 10,000 people in attendance.in the Cathedral Tralee Co. Kerry Ireland on 9/12/2001

My condolences to the entire Stefanowski family. Bob was one of the really good ones. So helpful to brother Ernie and of course his wonderful wife El. I was very young but remember being at their wedding dancing around with people I didn't know ! What stories all of you will share.
