“ Dear Helen and family,
I am sorry to learn of Ron's passing. As young kids we shared some fun times with Ron and Carol when our parents Hubert and Helen Oakes got together with you and Andy. Best regards. Bob Oakes

“ I was so sorry to hear about Ron. He was far too young to leave us. I didn't see him that often, but when I did, it was like we had always kept in touch. He was extremely intelligent and a fun person to be around.

“ Ron was one of the first people I met after joining Wilbur Smith in 1985. We worked together in the New Haven office and also ran into each other on overseas assignments. I learned from him and appreciated his perspective. He could always be counted on for a joke or amusing story. We agreed on many things, except for the fate of the Yankees.

“ Ron was a great person and a great friend. We spent many wonderful times together in Hartford in our twenties enjoying work at CT DOT during the day and burning the candle at night prior to Ron moving on to Chicago and LA. But we stayed in touch and continued to speak and see each other. He could always make me laugh and my life will be empty without him. I look forward to seeing him again down the road.

“ It is hard to believe Ron is gone. Always reluctant to show his "soft side", hardly anyone knew how much effort he put into caring for his mother the last few years.

I will always remember the times we had--sometimes a bit crazy when we were younger. I will miss Ron-especially his intelligence and wit. Goodbye my friend.

“ So many GREAT memories... Working @ ConnDot, "working" @ Rocking Horse, Chili night @ Ron's, sportscars, harborlights, late night UNO games, Bob & Ron picking on each other, Dave's Wedding, Ron's stories about his world travels, parties at Rich's, dinners at CHUCK'S....

We were shocked @ his early demise and he will be missed by all who knew him. Rest in Peace.
