“ I had the honor and privilege to know Rose for the last 5 1/2 months of her life as a Companion.

Although many words were not spoken to me by her, her personality, charm and love just showed through her smile. She has a special spot in my heart and I have been so blessed to have known her and her wonderful, loving family. I was even made to feel like a part of that family.

When I heard she liked music and Frank Sinatra, I tried singing a little "New York, New York". She made it VERY clear that she wanted me to stop singing! :-) So I started singing the old familiar Christian hymns to her. The way her eyes lit up when I sang "How Great Thou Art" just made my heart and soul so happy. She even "sang" a couple of words from the lyrics out loud with me. She liked when I prayed for her and held her hand.

I will miss our Rose...

God bless you all...Jennifer :-)
