“ *Every hour spent and mile travelled together was filled with fun and laughter, not to say we never had our differences. Except for her love of "stuff" may I be more like her. Rosie, you will always be in my mind and in my heart.*

“ *We have lived next door to Rose since 1979, and are grateful for the careful watch she kept over our kids and the rest of the neighborhood. We'll miss her — offering fried dough in the summer, tossing out bread to keep the storms at bay, counting up the sequined dresses for her cruise trips. Blessings on Rose and her family.*
