“ When I was a kid, Roe and Billy were the first adults I thought were cool. Hip even. They were so easy to be with. While Billy had his conflicts with the squirrel population of Hamden, Roe seemed perpetually calm and centered. They were always wonderful hosts, and I always enjoyed going over to their house with my parents. There was always laughter in their house, and Roe and Bill were frequently forced to be an audience for my latest jokes and they always responded as if they were the funniest thing they ever heard. As life went on I always stayed in touch with Roe sending her yearly Christmas cards, and loved that she had a computer so we could email. I already miss her.

Attached is a picture of my mother Floss Courcey and Roe "back in the good ol' days."

“ Dear family and friends. I lost my best friend that I've had for over 50 years. She was a joy to be around and could always make everyone smile. I have many fond memories of us with our husbands going on vacations together! Many nights with dinner and dancing. We had 5 couples that always celebrated New Years together. We would talk almost every night. She would come to visit me at my facility often. Life won't be the same without her but am grateful that she was in my life for so long. I am blessed to have such a friend, thanks for the beautiful memories!
With love forever,

“ The world has lost a superbly classy, sweet, charming, funny, sincere, caring, kind and generally delightful purple lady. She was like an aunt to me, always included her in the Bassermann count of 7 sisters, she was the honorary 8. So very sad Roe ended this living legacy, Henry and I cherished her so! Always looked forward to her company... walking into the room, her smile and twinkling eyes warmed your heart, and when she left, our hearts had melted. We know she is happily reunited with the love of her life,...Bill and Roe finally together again.
Our sincere condolences to all of her family, you are very fortunate God sent her your way! She will remain a true blessing to us, never to be forgotten,
God Bless you, Roe,
Love,
Henry and Susan (Bassermann) Criscuolo
