“ Uncle Sal, thank you for bulding such a great business where your boys gave me the oppurtunity to work at for most of my life and will continue to do so.I worked for ferraros for a total 26 years. Side by side on the meat counter full time for 6 years and part time side by side him for the last 11 years,i have countless memories of stories he would tell me,advice he would give me and not too mention a few cigars(thats Sal jr's code word for getting yelled at) i always found a humorous side in you that alot of people never saw and you would MOST of the time laugh at my nonsense,Ill never forget the customer saying they saw the show on my made up name of mountain chickens and you hiding behind the trays laughing,i can tell storys for days,thanks for making me a better person and helping me through some tough times,i will continue to honor your store buy working the meat counter like the sore was my own. love mike

“ Joan: You probably don't remember me, but I was a neighbor of your sister Sandra's in East Haven. I knew your whole family well. We used to have some great times. I am so sorry to hear about your husband's death. Having lost so many family members in the last few years, I know it must be difficult for you at this time. However, place your faith in the Lord. It is said we are given no more burdens than we can bare. And remember the memories, this will sustain you until the time comes when we will meet our loved ones again, and this time FOREVER.. God Bless all of you. Gregory E. Thompson

“ To Aunt Joan, Peter, John and Mark and their families, I will always remember Uncle Sal as a kind, gentle and humble man. He reached out to so many, helped the needy and never said no to a family member when they asked for guidance or economic help. How wonderful that he entered the Gates of Heaven, welcomed by those who have gone before! He has left a wonderful family but will meet with them again some day. Our blessed expectation is that we will see loved ones & friends again - and then we will never be separated! "Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord". 1 Thessalonians 4:17. Although I can not be with you during the next few days, you are in my heart and prayers. Love, Rhoda

“ Dear Aunt Joan & family,
Our hearts are so heavy with grief at the loss of our Dear Uncle Sal. How many memories will forever be held of all the good times we shared. Sunday after church my Mom and I would spend the day with Aunt Joan, Uncle Sal and the boys. Uncle and Aunt would always make a fabulous dinner for us. Uncle Sal's tomatoe sauce (the best). Always laughter, lots of fun, and a house filled with Love!!! That love will forever remain with us, till the day when we see Uncle again when we are in Heaven with our Lord Jesus. It's a mansion Uncle will have there for all the generosity, affection, love that he gave to all. You will be missed so much Dear Uncle, and thank you for everything you ever did for us in our lives.
Love eternally,
Paula & Candace
