“ Sal instilled the values that are forgotten today in the home and in the business world. He not only ensured his customers were appreciated and received quality services in which he provided , but he also displayed the same values towards his employees as well as family. Although Sal's shoes are tremendous shoes to fill; with the bond he had between his family and friends, I assure you things will continue on following his same direction. To the Ferraro family, continue keep God in your prayers, in your thoughts and in your mind. Continue to maintain your strength during this time and as time moves on. It was a pleasure to have Sal as a leader as well as an honor to work for. \_ The Rose, Robinson & Taylor family

“ To Sal's wife, children and the entire Ferraro family. I, and my family, extend our deepest sympathy to all of you, and pray that God will bless you and heal your grieving hearts. I am from Milford, but would travel to New Haven to get the most delicious "Porkettas" from Ferraro's Market. The very first one that I got(years ago), Sal picked it out for me. Ever since then if he was in the store he would make sure I got one that was lean. I did not go there often, but whenever I did, he always had a nice greeting when he saw me. I, too, will miss him and wish him GODSPEED.
