“ *My heart will be forever broken over the loss of Sean. He was my best friend. I know in my heart that he pushed me away because he knew that the cancer was going to take his life and he did not want to die at my home. He left his old lifestyle behind in New Haven when he came to woodbury. I only wish that we had met years ago, but he told me that he finally knew love and he gave that gift to me as well. He truly was a blessing to my life. Forever in my heart,
Dawn*
