“ I am so sorry to hear of Stacey's passing I went to high school her in CA. We graduated together and she attended my wedding. She was so much fun to be around. I remember in our senior year, when I got my drivers license, I went by the school and picked her up and off to the beach we went. She was so full of life. It was years later that I found her on Facebook and I had told her about the loss of my son to suicide in 2005. She told me about the loss of her daughter Jennifer. I wish I had stayed in better contact with her but with busy lives and all, it just did not happen. I am so sorry for your loss, and my prayers are with you all. You all will be in my thoughts and prayers tomorrow as you lay her to rest. God bless you all.

“ Dave: I know words cannot express the void the loss of your beloved Stacey has left. I am broken hearted for you and all of your family. She was so good to me when I was sick with breast cancer. I remember how both of you showed me such love and concern. There were no two people more in love and with bigger spirits then when you two were together. I remember with a smile on my face how she always joked that "it's not fruit juice they are serving up there" meaning our "pub", Her warmth showed everytime she smiled, and oh how she loved you.... we all do!!! I will play her favorite John Mellencamp song "Cherry Bomb" in her memory. I will also play Paul Simon's "Mother and Child Reunion" for her and your daughter and what a wonderful reunion it must have been. You are loved, you have so many people who will be there for you and that is a true legacy. With all my love and prayers... Kimberly McCurnin
