“ *Dear Roberta, I am so sorry for your tremendous loss. He was a wonderful man. I have so many happy memories of him and my Dad playing in the band. I remember all the parties and drinking orange soda and special snacks you always stocked for us kids. I remember playing lawn games at Frank and Francis house. The Saint Stephen's day stoning with nuts. You both always made me feel special. There is another angel now in heaven watching over us. Love, Tracey*
