“ My memories of Steve go back to the early 1960's. Steve was my babysitter. I am the oldest of the (Theresa) loime clan. He was more than my sitter, he was like an older brother. Steve taught me how to drive in his Chevy Nova when I was 16. Some of my other favorite memories include going to the beach, amusement parks, and New York City; spending holidays together or just sitting around the house. My life was a blast with Steve in it. I love you Stevie.

“ Uncle Steve was not just an uncle, and a mentor, But he was "MY DAD" the one person who stood beside me and my mom threw EVERYTHING and never turned his back no matter what. He was the guy everyone loved but feared at the same time. His bark was bigger than his bite trust me, I know. He was the backbone to my family, and will be greatly missed. My children loved and respected him so much and now they feel things will never be the same with Uncle Steve gone. He was a highly respected person not only at work but anywhere he went. He is now in the right hand of Jesus with his mother, sister, father, best friend and his niece. I LOVE YOU DAD/UNCLE STEVE WITH ALL MY HEART YOU ARE GONE BUT NEVER FORGOTTEN!!!!

“ *I am so sorry for your incredible loss. Steven was a very special person to many of us. He and I worked closely together for the past 12 years....and I can't stand the thought of his not being there with me everyday...joking, commiserating, sharing his opinions and hopes...and, of course,telling me to clean my office! He truly was like family and looked out for us all. What an incredible man. Now he can be our guardian angel, I suppose.*

“ My heart has been heavy from the moment I heard the news. Steven was a wonderful supervisor who pushed and encouraged me to explore new opportunities in my career at SNET/ATT. He "kicked me out of the nest" and encouraged me to fly. I will miss his solid and sure advice. I know that the family has lost a treasure, but so has AT&T. He will be missed...

“ I can count on one hand on one hand the number of people that have played a major role in my life and Steven is without a doubt one of them. I will miss him so much as he was my mentor and my very good friend. I looked up to him a great deal and I always let him know how truly special he was to me. Steven always brought out the best in me and made me smile when I was down, laugh when I wanted to cry, and gave me advice on how to handle my personal and professional life. I will miss you so much Steven! I will never forget you and how blessed I was to know you and call you my friend!

“ On behalf of the leadership at ATT, i would like to express our deepest sympathies to the Knotts family. Steven was a dedicated, caring and talented leader in our training organization, and i know that too many to count benefited from his wisdom, humor and expertise. Our training leaders are truly the face of the company to our employees, and Steven exemplified the character and good heart that we hope to instill in everyone.
